

# BEYOND GUARDIAN AIR

## THE ULTIMATE SOLUTION FOR A HEALTHY ENVIRONMENT

- Perfect for homeowners and businesses that want ultimate indoor air quality protection
- The only air purifier on the market that uses an exclusive combination of technologies, including ion generation, a better-than-HEPA filter, Photocatalytic Oxidation and our proprietary Active Pure® Technology.
- ActivePure® Technology has been university tested and proven effective on bacteria, viruses, mold and fungi in the air and on surfaces
- Eliminates common triggers of allergies, asthma, and irritants to those with sensitive immune systems
- Portable, no installation required
- Uses ActivePure® Technology to create pristine air quality and attack contaminants on surfaces
- Ten unique features include technologies to capture 99.97% of particles as small as 0.1 micron
- Whisper-silent operation and purifies up to 2,000 sq. ft.
- Destroys VOCs, smoke and odors without ozone
- Active Pure is the only air purification technology in the world granted the Certified Space Technology seal by the Space Foundation
- 5-year limited warranty available (terms and conditions apply)
- Operates 24/7
